DEUTSCH IM EINSATZ STUDENT'S BOOK (IB DIPLOMA) (GERMAN EDITION) BY KATRIN FOX, ALAN MARSHALL, CONNY BROCK, SOPHIE DUNKER PDF

This coursebook prepares students thoroughly for the 2011 German Language B syllabus. It has an international approach, offering authentic texts from a variety of German-speaking countries. The texts and topics have been chosen because of their intrinsic interest to young people, and to enable students to develop a genuine intercultural understanding. The exercises are carefully designed to develop students' linguistic abilities while at the same time encouraging them to develop critical thinking skills, and allowing them the opportunity to interact personally with the material.

By captainwinters

This book is an excellent companion for anyone hoping to teach the various writing and text formats for German IB Diploma candidates. It has a wealth of information on how to write each format successfully, even going so far as to include a checklist of desirable components. While the texts available for reading a slightly sparse and the chapters are light on material the practical nature of the writing instruction earns the book five stars easily.

IB Deutsch SL Sprache B

By FrauAK

I received an advance copy of this book per e-mail and liked what I saw. The book is set up for the new IB exam, covers all main topics, incorporates various sources throughout the entire book and has examples of all text types at the end of the book. I am very excited to have found this book for my students and cannot wait to see if it helps them on next year's exam. Special thanks to the_book_depository for their very fair pricing!

I found this to be a great resource for the IB Diploma Program SL

By MLZ

I found this to be a great resource for the IB Diploma Program SL. We used it in the testing year, and all of

my students scored well above passing. I especially liked the chapter preparing students for the written assignment. There are a lot of interesting texts that aren't all articles in the book. It's not the be all end all program, but it will definitely be helpful and is definitely linked to all the core and optional topics.
