Its a good story, keeps interest

By Roberto German Pina

Its a good story, keeps interest, though sometimes you feel that the actions adopted by the Young carácter are somewhat exaggerated since he is an eleven year old boy that acts as an adult, which is not quite normal. But it keeps you interested in the story.

Excelente

By Mateo Ll.

Grisham es verdaderamente un genio. "El Cliente" es prueba clara de esto. Más allá de ser fantástico por momentos, el libro consigue atrapar al lector de principio a fin.

"El Cliente" está en mi top 5 de los mejores libros de Grisham. Muy recomendado.

My highest recommendation for an intermediate Spanish student.

By Teresa Conant

It was one of the best books I have read to improve my Spanish. It is accessible to an intermediate student and what I like best about it was that it contained lots and lots of dialog. So I learned more from this book than several others I have used. Plus, as you would expect from a writer like Grisham, the story is entertaining. If you are studying Spanish and beginning to read it, this is one of the best books you can tackle!
