EVERY BLISSFUL MOMENT (HYENA HEAT BOOK 4) BY R. E. BUTLER PDF

Non-shifting wolf Bliss Roberts imagined the most exciting thing in her future would be her honeymoon with her three gorgeous hyena husbands. She never expected them to get lost in the mountains on the way home and stumble upon a young owl shifter being forced to mate with a much older male. When Bliss helps the girl escape, her people demand that Bliss and her husbands become the evening's pleasure sacrifice instead.

Memphis Gable and his brothers Lincoln and Rome knew their wife was a spitfire with a wounded heart, but they didn't expect to have to defend her to a group of deadly owl shifters. To protect her, they'll give the owls just a taste of the passion they share with their bride. When Bliss accidentally drinks too much of an aphrodisiac, the hyena clan's good intentions may be overwhelmed by her out-of-control lust. Can they keep a lid on their sweetheart's passion, or will the owls demand everything they have to give?

It wouldn't be a Hyena Heat novel without scorching m/f/m/m sex, three males who would strip naked in a heartbeat to save their mate, and the sweet woman who has claimed their hearts. This book contains a young woman in need of rescuing, dangerous owl shifters who glow when they're turned on, mating, claiming, growled obscenities, and frequent use of the word 'mine.'

Every Blissful Moment by RE Butler

By Nikki Lawson

Another fantastic story by RE Butler!!!! I love the Hyena Heat series and this one didn't disappoint! Bliss is a wolf who can't shift and she meets her mates, hyena brothers, Memphis, Lincoln and Rome at a gathering of shifters that she attends with her best friend. They go to the mountains to stay for their honeymoon and encounter owl shifters. Bliss sets one of the female owls free when she learns she's being forced to mate a male she hates. They finally return home and try to settle back into their lives after the trauma of dealing with the owls. Bliss is in potential danger from the owls and Memphis, Lincoln and Rome will do anything to protect their mate. This book, while not as action pack as some of the previous ones, was still fantastic and I can't wait to read Heaven's story next!!!

Every Blissful Moment

By Evampire

To protect Bliss from a group of deadly owl shifters, Memphis, Lincoln and Rome will have to give the owls

a taste of the passion they share in this spellbinding paranormal romance.

On the way home from their honeymoon, Bliss and her three sexy hyenas get lost in the mountains and the reader can't help but get drawn into the story as things almost become too hot to handle. The chemistry scorches every page and the sex acts including m/f/m/m scenes are wicked hot but this relationship is having a few bumps and bruises that cause quite a bit of emotional turbulence that grips the readers by the heart. The characters are strong, captivating and seize the reader's attention as the fast paced and smooth flowing plot ensnares readers with lots of suspense, excitement and romance.

Spine tingling tension and excitement builds throughout the story as the discovery of a group of owl shifters causes the newly mated Bliss quite a few problems both dangerous and emotional all while she's struggling with family turmoil. Well written scenes and details capture the imagination ensuring that the reader becomes completely caught up in the story while the intriguing events draw the reader in and guarantee that there is never a dull moment.

Once again the smoldering heat of the Hyenas held me hostage from beginning to end and as a bonus in this one we get introduced to another fascinating shifter culture...of course in their case, I think I might leave them alone....hmmm. But that's okay, there is plenty of other shifters for me to drool over in R.E. Butler's fascinating worlds and I am always ready for more.
