FILM AND HISTORY (THEORY AND HISTORY) BY JAMES CHAPMAN PDF

Film is the pre-eminent mass medium of the modern age. It is a valuable source of evidence for the study of both the past and the contemporary world, and is a social practice that has affected the lives of millions. How can historians engage with this important and influential medium?

Written for both students and teachers, *Film and History*:

- provides a concise, accessible introduction to the use of film in historical enquiry and a summary of the main theoretical debates
- charts the development of film history as a subject area and a discipline in its own right
- considers different approaches to film history, including film as an art form, as ideology, as a historical source, and as a social practice
- includes case studies to ground discussion of theories and approaches in specific examples.

Wide-ranging and authoritative, *Film and History* equips students with the methods both to analyse film texts and to understand the place of film in history and culture.
