GRUPPE ON PAINTING DIRECT TECHNIQUES IN OIL BY EMILE A. : MOVALLI, CHARLES AND LAVIN, JOHN (EDITORS) GRUPPE PDF

Gruppé On Painting: Direct Techniques In Oil by Emile A. Gruppé Paperback This acclaimed book, originally published in 1977 has been re-printed in limited quantity, featuring 168 pages, 139 black and white illustrations and 29 full color plates. "Vibrant, fresh, immediate! The direct oil painting technique is an intense reaction to nature, a race with time to capture the color, the light and shadow, the design and the spirit of a subject in a few short hours. And now, Emile Gruppe - master of the direct oil painting technique - shows how you can use the broad strokes and lively colors of this spontaneous approach to infuse your own paintings with vitality, vigor, and on-the-spot freshness." Available exclusively through the Rockport Art Association.

Classic Book Reissued

By S. Froelich

This book is a reissue of one of Gruppe's classics. Like the original, the beauty is in the words not the pictures. Almost all which are black and white. There are about 20 color plates which only make you wish there was more. The book is laid out into the following 7 Chapters:

Materials and Equipment

Drawing and Values

Color

Design and Composition

Lay-in and Development

Harbor Scenes

Landscapes

I really enjoyed the Harbor Scene chapter as it contains a wealth of information about how to make sense of a busy harbor into its logical parts including techniques for many harbor objects such as; workmen, pilings, rigging, gulls and water.

7 of 9 people found the following review helpful.

More than Satisfied

By RC

This book was out of print and I was unable to afford a high priced used product. The information was valuable even though limited on color plates that are printed now in black and white.

This supplier was very good to work with.

4 of 4 people found the following review helpful.

Very poor print quality from Rockport Art Association

By Babushka

How can I balance the value of this book as an instruction manual, with the really bad print quality from the RAA reprint? Unfortunately, I think they're inexorably tied together. The color images are faded...very low saturation...and the BW images are just dark. If I were Rockport, I would demand a reprint on these books, not try to sell them to unsuspecting buyers. I also have Gruppe's "Brushwork for the Oil Painter" which has excellent color and BW images, so I know how the book was intended to be printed and viewed. I'll continue to look for an original edition so I can enjoy the images along with the text. I just can't recommend spending \$40 on this reprint.
