HALFWAY HOME (JAYCE & EMMA BOOK 1) BY BARBARA WINKES PDF

Emma has vowed to stay out of relationships after being betrayed by her ex in a dramatic series of events. All she wants is to find a job and a place to live, and be out of the halfway house by Christmas. She can't afford to have any feelings for Jayce Finney, the new woman in the house, especially when it's clear that Jayce has troubles of her own. Temptation might win over self-preservation, leading Emma not only away from her goals, but into danger.

I enjoyed the premise of this book

By Lov2laf

3.5 stars.

Emma is recently out of prison, living in a halfway home and doing everything right. Despite this, she still can't catch a break and when Jayce enters the picture, things get more complicated.

I enjoyed the premise of this book. Two women in a halfway house, where they could transition to better their lives or fall back into old destructive patterns is interesting. Emma is a really sympathetic character. Haven't we all been there that no matter what we do bad luck befalls us? Or, no matter how we react on gut instinct, it still steers us wrong? Emma has integrity and a good heart and for that she's a well liked protagonist. Jayce is an interesting, mysterious character that we're not sure is good or bad...for awhile...but, either way, she's also likable.

The tone of the book is more dreary than most just because of the background it's set against but it's not a depressing story. There are some twists and delightful moments and, thankfully, a happy ending.

I did see some grammatical errors that pulled me out of the story a bit and there was a little bit of jumping, too, that made the story not quite a four star. I think if the author cleaned these up, this would be a stronger story.

Despite any issues, it's a short story worth reading.

A great story.

By Loek

For once this is not a story about women with the most compelling and ambitious professions. Therefore, this book has a special place in my readers heart. It is written very lively and I felt the raw pain of Emma. After reading I've often wondered what it would be like to live as Emma and knowing that there is almost no one who believes you. The love story was sweet and I really want to read more about Emma and Jayce. I sincerely hope that there will be a sequel. This book is on my list to read it again.

Short Story That Gets It Done!

By Sharlie Mello

The relationship development between Emma and Jacey was exceptional. As anyone who's been deeply hurt knows, it best to go slow, be hesitant, and make sure it's real before you truly jump in with both feet. They tentatively dipped their toes in to test the water and trusted their instincts. The suspense and plot twists were well done and I thoroughly enjoyed this short story. Would recommend this to anyone who wants to escape into something worthwhile and real.
