Taurin it seems is showing a new side to himself

By CCallaway

Taurin it seems is showing a new side to himself. He was pegged as the bad guy in Wicked Nights but now. He gets his turn to show what he is truly made of. Now if he can just keep away from Kristin he will have nothing to worry about. Kristin is a force to be reckoned with and I think she has met her match with Taurin.

Boring

By Romancegal

Save your money, the story line for this entire series is boring and awful. I wish I went with my gut and stopped after the first book, but I was really hoping it would get better - NOT !!!!!. The books are now at the used book store and I hope they just sit there and collect dust.

Nina, great story, as usual!

By C.Lee

I'm really looking forward to more of the Castle of Dark Dreams stories. Only wish the place was real, wouldn't mind having my own fantasy!
