HOW I MADE \$2991 IN 4.5 DAYS: PASSIVE INCOME FORMULA USING ALL FREE METHODS. (INTERNET LIFESTYLE DESIGNS) BY P. JAMES HOLLAND, COACH COME PDF

"13 year old kid who can barely speak english makes his first \$97 within hours, in between school, homework, video games.... and still has time for supper."

“Virtually Unknown Internet Nobody Swears Under Oath: I did it all starting from nothing!”

Follow along as I show you how I used a simple method from one \$7 purchase that added \$2991 directly to my paypal and built a list of a whopping 53 RAVING FANS who LOVE me in less than 4.5 days without having 2 nickels to rub together at the time!

If you have an internet connection and can speak english, then you have what it takes to use this system anytime you need cash and you have less than a week to do it!

(actually this works in any language. I don't know why I just said that. Scratch that last bit)

If you're like me then you probably:

Have purchase more WSO's than you care to admit

Have no connections, JV's, Affiliates or a list to help you get started

Are in desperate need of some quick cash

Are sick of trying products that simply don't work or are based on some "loophole" that becomes outdated before you even get to try it

Are in desperate need of some quick cash

Would like to build a list of fans that adore you that you can sell to over and over again

Want to do something you actually enjoy

Haven't got enough money to spend on paid advertisements to make it profitable

And are probably in desperate need of some quick cash... if I didn't mention that yet

WHO AM I AND WHY SHOULD YOU LISTEN TO ME?

ABSOLUTELY NOBODY!

I'm not kidding!

If I were to email one of the big names on this forum my message would go directly in the trash!

Nobody knows me.

I have no connections. I had no list. I barely even know what I was doing.

You see, I am a writer by passion. A Personal Development blogger to be more exact.

If you search my name (Coach Comeback or P. James Holland - yes that is my real name), you will find:

A few terrible kindle books selling 3 copies a month

My personal blog of almost 2 years attracting a MASSIVE 34 visitors a day

My facebook profile with my friends and family

A few REALLY AWESOME guests post I wrote (I am actually proud of these)

A few self help products that NEVER sold =-(

And that's about it!

You wont find any "make money online" products, no listbuilding campaigns, no one requesting to be my JV... NOTHING!

Why go through all this trouble to let you know how much of a nobody I am?

I'M GETTING TO THAT! CALM DOWN!

I was/am just like you...

I had tried almost every product in the book!

I "Sniped" sites

I "SE Nuked" sites

I SEO'd sites

I Niche'd sites

I Backlinked sites

I Curated sites

I Guest Posted Sites

I Facebooked

I Squidoo'd all over myself

I Kindled

I Nooked

I Smashed my words

I Held Contests

I Youtubed

I Twittered

I Pinned

I Google+ed

I podcasted

I Hungout

I Pressed my Releases

I Fiverred

I Meme'd

You name it... I tried it!

But you already know that because you should have already done a thorough background check earlier during the intermission... right?

Sure I made a few bucks here and there. Enough to keep the lights on anyway. But not enough to live this work-from-home Internet dream I had been hearing so much about!

Out of frustration I said I was not buying another WSO until I made a bunch of money.

Kind of the chicken or the egg thinking right there - I will buy more products to teach me how to make money... when I make more money... hmmm

But something about that one LAST WSO caught my attention!

Nothing was overly special about the sales page. The message sounded like most of the others. And I had no idea who the creator was. It was the first I had heard of him.

But I bit the bullet and literally had to scrape up the \$7 to purchase Russ Ruffino's WSO...

And that is when all the magic happened...

And you get to see inside how the passive income was made.

And for a limited time you get access the the best selling video course FREE

Difficult to read due to many, many wording problems and bad grammar. Not much info that isn't in other how to make money books.

By Sandra Lance

I wasn't going to leave a review at all, but after looking at the three 5 star reviews, I felt compelled to. I borrowed the book as I am always interested in new ways to make money online, and the Emergency Cash tag caught my eye. I know people that had a financial set back and simply needed quick cash NOW. And

while I feel that the author truly was trying to be helpful, I could barely get through this book.

The grammar and words were so mixed up in places, I wasn't sure what he was trying to say. I did find a couple new items that I had not heard of in other "making money online" guides, but not too much. If this were re-written a bit more clearly, I would give it at least another star. I haven't yet read his other books (at this time I saw 4 titles on his author page) so it may be just a program error from whatever program he was using to type. I'm not sure why the other readers gave it 5 stars as it REALLY needs to be cleaned up. But since it was free on Kindle Unlimited, I took a chance. I would not pay for it until it has been edited to be more reader-friendly.

Incoherent mess

By Christina

Absolute garbage. No real information here, just an incoherent mess with tons of spelling and grammar mistakes. It might as well be random words on a page which would actually probably be better than this nonsense. My guess is the author is one of those people churning out crap Kindle book after crap Kindle book trying to make money \$0.99 at a time. Thank goodness I didn't pay for this and you shouldn't either!

This book is phenomenal -- REALLY tells it like nobody else can

By DJ Spingola

I've had the pleasure of watching James grow into the phenomenal success that he enjoys today. And yes, it really did all start as he lays it out in this book -- I saw it happen! Well, MOST of it...

After he made the \$2991, I jumped on the 'P. James bandwagon' because it was obvious that this guy was going places and I wanted to be a part of it, even if just to watch him blaze trails! And that \$2991 was no fluke -- you could tell from his personality and the obvious drive that he has, and it was also just the beginning!

What he shares in this book -- this case study, actually -- is how he did it. And probably more important to the reader, how YOU can do it also. He lays it out, step by step, and really does make it all sound so simple.

James will be one of the first to tell you, though -- simple doesn't always mean the same thing as 'easy'. Doing what he did will require you to push through some barriers of yours, barriers you may not even know are there. But he'll also be the first to tell you that not only are they there, but will help you see them and then break right through them.

He now knows what's on the 'other side' (hint -- it starts with 'free' and ends with 'dom!'), and it seems to be his personal mission to help whoever he finds in his path that also wants to get there, to get there.

Bottom line -- this book is an incredible investment in more ways than one. Price-wise? That's so ridiculous it isn't even an issue -- get it! And for the little time you'll invest reading it, you absolutely WILL come away from the book with more than you had before it (a bunch of smiles, some inspiration, a solid plan to create your own success...whatever!).

You'll likely come away with a newfound sense of hope, that maybe...just MAYBE...you can really accomplish greater things, too. Now what's THAT worth??
