Do you feel the need to pray but just don't know where or how to start? What better way to learn How to Pray than to learn from the original teacher, Jesus. When the disciples of Jesus asked him to teach them to pray he gave them an outline that covers all the tenets of prayer. These are Praise and Adoration of the Father, that the Kingdom of heaven would be manifested on earth, a request that His will be done, and not our own, repentance for sin, the grace to forgive others as we have been forgiven, that we be kept from temptation, and that we be protected from evil. A breakdown of this prayer, and more is included in this guide on How to Pray. There is also a guide for daily prayer that you can adapt for you and your family.
