Marvin Redpost Is He a Girl

By A Customer

I liked Marvin Redpost because it was funny . The reason it is funny to me because he kept trying to kiss his elbow. He almost got caught kissing his elbow. He started to act like a girl . He was wondering why girls giggle when they come out of the bathroom. He liked the way girls did things with their hair. He started to bite his finger like a girl in his classroom. He said that girls are lucky because they can wear anything they want like shorts, skirts and dresses and get to get boys in trouble more than boys get girls in trouble. My favorite part was when he tried to kiss his elbow and got tangled up in his sheets.

Marvin Redpost: Is he a Girl?

By A Customer

I've read the book twice. Great book. Casey tells Marvin that if you kiss your elbow, you will turn into a girl. At first, Marvin doesn't believe her, but when Marvin kisses his elbow, he thinks he really is turning into a girl! Very hilarious! If you like books where the character thinks that they are something else than what they really are, then you'll love this!

Marvin Redpost #3 is Fun!

By A Customer

I have read all of the Marvin Redpost books, but I liked Is He a Girl? best because it was very fun and suspenseful. It is a fun story because Marvin thinks he is a girl but he doesn't tell his friends. He believes that he is starting to like girl things but I think that there is no difference in girl and boy activities. I think Marvin sees this too. I think this is a fun book for eight or nine year olds to read and younger kids to listen to.
