- Used Book in Good Condition

## Most helpful customer reviews

2 of 2 people found the following review helpful.

good book for dental hygiene students

By just my opinion :)

I ordered this book through the deal factory. It arrived in good condition, and before estimated arrival date. I am a dental hygiene student, and this is the same book we use in the clinic to look up patient's meds. I just wanted my own copy to save time. It is good because unlike a regular medical drug book, this has the oral issues each med may cause also. This was the most reasonably priced version of this book I found.

Pick This DDR!

By Laci

This is the best DDR book I have come across! It is simple, tabbed, and up-to-date!

Five Stars

By Meredith Bosch

Very helpful book esp while I was in dental hygiene school!
