Mindell pokes fun at native Vermonters, Jews, the Mafia, ex cops, retired teachers, pot smokers and people who are fond of sheep in this engaging farce of conflicting cultures in a most unlikely setting

Richie Percopio, a Brooklyn mobster masquerading as a Jew moves to a small town in northwestern Vermont to start a new life. The town is experiencing financial difficulties and is desperate for a savior, a messiah. After settling in Richie decides to grow ten acres of marijuana to help save the town from bankruptcy and enrich his own pockets at the same time. Only an ex cop from the Northeast Kingdom stands in his, and the town's way.

Mindell brings his flair for non-stop action honed in his Detective Simeon Cotter mysteries to this, his first venture into humor.

Great read.

By Daddy

I grew up in the Big Apple and now live in Vermont. Richard Mindell knocked it out of the park with this tale. In bringing together the brash New Yorkers with rural Vermonters, he captured the essence of both cultures with an ending that is as surprising as its beginning.

A JEWISH VERMONSTER FROM NY

By lee silver

Didn't know if it was ok to laugh at all the cliches.

but I did anyway. Told a couple of my Temple friends, but not our Rabbi.

Little Israel Pizza daringly defies political correctness

By Joseph C. Nelson

Little Israel Pizza daringly defies political correctness with authentic underworld dialog while taking big city thugs into the world of up country yokels. Italian mafia boy meets Jewish girl as Ethnic humor and conflict is cleverly woven into the story for a surprise ending.
