Great Book To Read!

By Tranessa Lewis

This was a really good book. It starts a little on the slow side but don't let that discourage you. It gets explosive the further it goes. Two families torn by hate while two of their kids are finding love only to have it ripped apart by lies, betrayal, and deceit. One book you will want to read!

A fun, fast-paced tale.

By P.M.F. Johnson

I like this book. It's a fast-paced young adult tale of two lovers from families that have irreconcilable differences. Based on Romeo and Juliet, but with twists so I didn't know what was coming next. The characters were sympathetic, the conflicts engaging. An awful lot happened in the last few pages, so that was a touch confusing, but overall I found this book very good indeed. I believe we'll be hearing a lot about this author in the future.

Who is good and who is bad

By Kim Sowards

This is about two families who come from different sides of the law. One a family criminal and a DA who wants to bring that family down. But what happens when the daughter of the DA and son from the criminal family falls in love. This book has love, hate, grieve, and things that don't always appear what you think it is. I was sucked in this book and love the people in this book. I hope there is going to be more in family book
