MUCH ADO ABOUT SOMETHING BY MICHELLE RAY PDF

Beatriz and Ben don't see eye to eye on much, but they do agree on one thing: they can't stand each other. No way are they going to date again. Ever. But when Beatriz's cousin Hope starts at Messina Prep everything changes. Not only does she want to fix Beatriz's love life, but she also attracts the attention of Ben's best friend Clay...and the two cruelest guys at school.

Told from alternating points of view, *Much Ado About Something* lets Beatriz and Ben tell their sides of the story as they try to navigate love, sex, rumors, family and tragedy. Not necessarily in that order.

shaking off their cobwebs (though keeping a few for good measure) and making them fresh and exciting for teen ...

By jh229

Michelle Ray has a knack for taking centuries-old stories, shaking off their cobwebs (though keeping a few for good measure) and making them fresh and exciting for teen and adult readers alike. Ray tells this story in new and fun way, while also connecting with the real struggles of teenagers. Like her other two books, Ray creates a story that pulls in the reader and connects them with her world, making *The Bard* not only appealing but compelling, even for those who would not otherwise be interested. Definitely worth reading!

Read ALL the Shakespeare inspired novels By Michelle Ray

By Mindy

Reading "*Mac-Beth*", "*Falling For Hamlet*" and now "*Much Ado About Something*" gave me a new understanding and appreciation of the novels I read in school. I think teens AND adults would enjoy AND understand Shakespeare so much more, after reading any or all of Michelle Ray's books! They are ALL an easy, fun and entertaining read!!!!

1 of 1 people found the following review helpful.

Another fun read by Michelle Ray

By Ariella Flower

Another fun read by Michelle Ray! I just can't get enough. I absolutely love her modern takes on these Shakespeare classics. If you loved *Falling for Hamlet*, her first book, as much as I did, then don't wait! Like her other books, this does a great job of standing alone even if you've never been into Shakespeare...but is awesome for those of us who love the Bard as well.
