Jakes will really make a large amount to be your best friend in your lonesome. It will be the best companion to enhance your operation and hobby.

From Publishers Weekly

How does a marriage fall apart, and how does one go about saving it? Bestselling author T.D. Jakes (*Woman, Thou Art Loosed!*) puts those questions at the heart of his novel, which follows Dave and Clarice Johnson as they struggle to recover from a devastating car accident, which shattered Clarice's leg. The physical recovery proves to be far simpler than healing their dissolving marriage: lack of communication and respect, along with divergent priorities, have slowly worn down their relationship. So when Julie, a physical therapist from their church, proves ready to admire and appreciate Dave, an innocent friendship turns into a serious temptation. Are both Dave and Clarice willing to fight for their marriage? And should they? For Jakes, the answer to the second question is clearly yes. He captures the rapidity with which relationships can fall apart, along with the rigorous and painful healing process, which requires honest communication, self-denial and humility. The story is far from a fairy tale and at times too true to life to be readily enjoyable, but readers will find themselves attached to the characters. Jakes's faith appears throughout the story in a gentle way, which should make this book appeal to both Christian and general market readers. (Oct. 11)

**A Good Story**

By K. L. Burchett

Dave and Clarice Johnson: married fifteen years and it takes a car accident to bring unexplored problems in their relationship to the surface. Clarice's "I can take care of myself" mentality causes more of a gap between her and Dave than was already there before the accident, and Clarice's mother, who is obviously a bitter woman holding onto past hurts, doesn't help the situation. And then there's Clarice's physical therapist, Julie. She likes Dave for who he is, and when they're together he feels appreciated. Dave, who, unlike his wife, is sure he wants children, becomes a stand-in father for Julie's son, Bryson, whose own dad is never around. A real bond forms there.

Can Clarice hold onto her man when she isn't giving him what he needs; especially when there's another woman who's willing to do just that? Will Dave decide his marriage is worth saving, or will he move on and begin a new relationship with Julie? These are the questions that came to mind as I read this novel. It turns out that God the Father, verses from Ecclesiastes, and a marriage counselor all play a part in getting this marriage back on track.

I have listened to the teachings of Bishop T.D. Jakes for quite some time now. Whether he's speaking or writing, this man of God has a way with words that can get a life-changing message straight to the heart of the listener or reader. I'm glad he has decided to include fiction among his many books. This one is as good as all of the rest!

**Not Easily Broken**

By R. Jones

This was a very good read. The storyline was quite interesting and it kept me wanted to read more. I purchased a copy for myself and a copy for my best girlfriend for a Christmas gift. I finished reading it in four days. Now that's a good book. My goal was to finish it before going to see the movie on the big screen.

**Awesome Book**

By S. G. Dunlap

This was a wonderful book. The main character, David, gave me hope and inspiration, though I thought his wife was a bit annoying. Though I had hoped the book would end differently, the ending was satisfying and left me pleased. I would highly recommend this book to anyone looking for a good story.
