Review

"Allows a rare and unique insight into an obscure and mysterious land." —Evening Standard

About the Author

John Beasant is a former press secretary to two Commonwealth Prime Ministers and a Head of State in the Islamic world. While writing Oman he was expelled from the Sultanate after rejecting a bribe not to proceed with publication. His previous works include *The Santo Rebellion* and *Stalin's Silver*.

OMAN: THE TRUE-LIFE DRAMA AND INTRIGUE OF AN ARAB STATE BY JOHN BEASANT, CHRISTOPHER LING, IAN CUMMINS PDF

The fascinating, little-documented political history of one of the most secretive countries in the world

Oman is one of the world's most secretive countries, ruled with absolute authority by the Sultan. All information is strictly controlled by the State: British Prime Minister Edward Heath once said that the story of the 1970 Palace Coup and the events that followed would "not be told in our lifetime." Following 10 years' residency in the country, a senior member of Sultan Qaboos's Family suggested that John Beasant write a political history of Oman that would to some extent rehabilitate the maligned name of former Sultan Said, who was deposed in the 1970 Coup. Here, Beasant catalogs a nature of exploitation woven through all manner of political and commercial interests, casts light on the dark practices so often involved in the sale of arms to Middle Eastern states, and illustrates the political use to which the sale of oil, or "black gold," can be put. Oman is a parable of our times, detailing rivalry and intrigue between people in high places. It is one of the most dramatic tales in Arab history: a chronicle of personal price, rapacious greed, and undiluted lust for power.

Gripping, honest, revealing

By Julie Paterson

After a trip to Oman where so much history could not be revealed in either guidebooks or by locals, this book put it all into perspective for me. Great read and completes my journey to Oman

1 of 2 people found the following review helpful.

Oman is a good read.

By DEXTER COCHNAUER

Oman is a country where very little is known. This was a very good book for learning about the history of Oman. It was very informative, as well as entertaining. Anyone who wants to begin the process of learning about Oman, this book will be a good start.
