Great Missal

By Bookish1

This is my first Missal after leaving the Novus Ordo and attending Latin-only Chapels. It is beautiful, easy to use, and has everything you need to follow the daily Mass plus lots of extra prayers, etc. The faux leather cover doesn't bother me. Angelus Press does a great job!

THE ABSOLUTE BEST!!

By Stacey D.

By FAR, the BEST Roman Catholic Missal out there!! This is probably the MOST complete Catholic reference book for any Traditional Catholic. It contains EVERYTHING you will need for traditional Catholic worship. ALL prayers, ALL ceremonial instructions, ALL Trad Catholic Liturgies, even sidebar commentary on the Latin Roman Rite Mass and WHY things are being done the way they are.

For any non-Catholic, Catholic convert, or even us cradle Catholics coming back to our precious Sacred Liturgy that was ripped away after the "pastoral" VCII, this definitely the missal to get. If I had ONLY one book in my possession, THIS would be it.

I'll try to make this Short. The Best one I've used.

By Phil Spradley

I've used many of the pre Vatican II missals to include but not limited to the New Marian Missal, the St Andrew's Daily Missal, The Roman Missal (Fr. Lasance), and the St Joseph's Missal. I like this one better than all of them. It's very clear and easy to follow, it has an easy to read index, it has very useful explanations throughout the mass and many days throughout the year which are helpful to me and to friends

who attend the Latin mass with me who are not as familiar, it has rubrics which kinda tell you what the priest is doing in case it's difficult to follow him, and I could go on.

Con: the only con that I have for this missal and the ONLY reason that I took one star is that it's imitation leather here on Amazon, but that's an easy fix at [...] They offer a Very nice leather one for \$68.00 I gave my imitation leather one away and now I have the Leather one.
