learning about a great man

By Megan Lee

This book features outtakes from a journal by Sailor Jerry. It proves that he was not only a terrific tattoo artist, but also a man with an intellectually stimulating mind. I was amazed at how his sense of humor jumped out of the pages and laughed out loud more than a few times. I am sure that if you love the art of tattooing you would love to hear the quips that Mr. Collins puts in this amazing book! END
