Great learning book for beginners

By brittmd

Great and easy learning tool for beginners. Ordered this for my 7 year old who is just starting out on the piano. Easy for her to understand. The book has written activities to do which is great.

2 of 2 people found the following review helpful.

Very pleased

By Cindy Edwards

My daughter is about to start music in a week or two and this book was highly recommended by her teacher. It was purchased and shipped very quickly. The package was very secure in the amazon box and I have no complaints.
