Review

"Tools for Change is an extraordinary achievement: there is simply nothing like it on the market, in terms of the scope, depth, and the quality and consistency of the contributions included in this book. This is as close to a critical or heterodox textbook in development studies as we are ever likely to get." -- Professor Alfredo Saad Filho, Department of Development Studies, SOAS, University of London

About the Author

Henry Veltmeyer is Professor of Sociology and International Development Studies at Saint Mary's University, Nova Scotia, Canada and Adjunct Professor of Development Studies at Universidad Autónoma de Zacatecas, Mexico. He is the co-author of *Social Movements and State Power* (Pluto, 2005).

The book is meant to be accompanied by a website ...

By Dr. J

The book is meant to be accompanied by a website, as promised in the opening pages, with full texts of those overviewed in the module summaries. The website, as far as I can tell, doesn't exist. It's a real shame, too, because this is otherwise such a promising project.

Good introductory book

By romancereader

Bought for a graduate school class, an interesting read. Some may find the ideas frustrating, but it's a good intro to the topic
