The Dark of the Sun, in the Heart of Darkness!!!

By Pvt. W. G. Kirby Amazon Customer

I enjoyed the movie way back in the 70s on TV. I always enjoyed Rod Taylor in films...a very underrated actor. This was a real step up in his acting, as an almost anti-hero. The book is worthy of the movie and vice versa! A very powerful story and adventure. If the movie were to be redone today, I don't think it would do justice to the book.

Wilbur does it again!!

Read only if you intend to read all of his books.

By James Schwartz

Of 28 of 31 of his books that I have read this is my least favorite. A totally unbelievable tale without the typical building of characters and romance so often found in Smith novels.
