Life will certainly be completed if you understand a lot more things through reading e-books.

THE HORSE IS DEAD BY ROBERT KLANE PDF

"A Tasteless Novel" of which Jack Benny said, "Undoubtedly the funniest book I've ever read." This was Klane's first novel, and would be followed by "Where's Poppa" and "Fire Sale," both made into movies. Klane went on to write and direct lots of movies and TV shows, including "Weekend at Bernie's" and episodes of MASH. Klane has been described as "Max Shulman spiked heavily with the Marquis de Sade", but he also incited comparisons to Joseph Heller and JD Salinger. This novel is about Camp Winituck, which looks "like a poorly run concentration camp."

Very sick. Very funny

By lexo1941

I read "The Horse Is Dead" when I was a kid in the 70s, because the guy who did the cover illustration for the original hardback edition was an old friend of my dad's, and we happened to have a copy in the house. I had very little idea of why it was so funny, but it was; rereading it now, it seems like a hardcore band covering a novel by Philip Roth. It's all there: the self-hatred, the obsession with sex, the worries about being Jewish, but Klane is so much faster, louder and angrier, and in so much worse taste.

It concerns one Nemiroff (we never learn his first name and he doesn't seem to think that he has one) who works as the only Jewish counsellor in a summer camp. (I learned of the existence of summer camps from this book.) He hates the kids he is in charge of, hates the camp, hates his fellow workers, and especially hates his luscious Gentile colleague Miss Booe (we never learn her first name either), because he knows she'll never go to bed with him. In the course of the book, he throws up in a girl's ear, has attempted coitus with a guitar (the girl who's wearing refuses to take it off, even in bed) and generally behaves like one of the most singularly repellent anti-heroes in contemporary American fiction. But it all changes when Miss Booe suddenly turns out to love Jewish guys...

"The Horse Is Dead" has been long out of print, and first editions are now extremely valuable. (Yay for my mum, who still owns one.) I gather Robert Klane has gone on to a successful cinema career. Good luck to him. This was a book years ahead of, or way to the side of, its time. Or any other time, for that matter.

greatest book ever.....a way of life.....Ha!

By Fatty Fullerton

I first got the book while attending San Fernando Valley State, Bill "Higgie Iggie", Higgins gave it to me.

That was back in 1969! Hope you're still out there Bill. Took it with me to University of Heidelberg in Germany where it made its rounds there then it got passed on to some students at the University of Berlin. I thought I'd never get it back. It finally did come back my second year there and it is now locked in my safe. I'll never let it go now! Truly a classic. After reading this how can anyone not laugh at life?! My only wish is that it were longer. Way too short, didn't want it to end. Get your hands on this one if you can.....

I'VE BEEN LOOKING FOR THIS BOOK FOR YEARS!!!

By MKoz

I didn't know who the author was, but every so often I'd type in "The Horse is Dead" into a search engine. I finally found it at Alibris, but they want 203 and 268 dollars for it.

I'm going to start hitting used bookstores. This book is a classic, and got me through a very trying time during my youth. I'm reminded of the book everytime I see that camp movie made with Bill Murray. Clearly, it's not as good as the book, though

Johanna
