After twenty-four-year-old Julie catches her boyfriend selling drugs out of a rehab clinic and he threatens to hurt her if she tells anyone about it, the world suddenly seems like a much harsher, more dangerous place. When she shows up at Sheriff Peter Mitchell's office and explains the danger she's in, it doesn't take him long to decide that she needs to come home with him so he can watch over her while his men set up a sting operation to catch the man who threatened her.

Peter is more than ready to protect Julie from anyone who might try to harm her, but he is far less ready for just how badly the lazy, spoiled girl is in need of a firm hand applied to her bare bottom. Yet when he takes matters into his own hands and gives her the first spanking of her life, he finds that he wants nothing more than to hold her in his lap and comfort her afterwards.

Nobody has ever made Julie feel secure and loved the way Peter does, and soon she's calling him daddy as he dresses her, gives her baths, puts her to bed, and makes sure she's not scared of the dark. Peter will not put up with naughtiness from his little girl, and when she misbehaves his punishments leave her bottom burning and her cheeks blushing red, yet when he takes her in his arms and shows her how a man should love a woman her sore backside is quickly forgotten. But the stress of the ongoing investigation isn't quite so easy to forget. Can Julie learn to trust her daddy to keep her safe no matter what?

Excellent Sweet Romance by Alex Reynolds

By Laurel

This was a lovely sweet book with some danger and abuse. The small woman gives the appearance of a very young girl. She is taken in by the sheriff who hides her until they can catch the bad guys. They fall in love with each other and there is a HEA. This was an excellent read. I was given an Advanced Review Copy for an honest review.

Adorable AP Love Story!

By Summer Graystone

Wow! I don't know what to say about this story without sounding kinda childish because it was just so cool! There wasn't a super big rush into the "daddy" thing and it was displayed as if it were actually happening. I really loved this story because it felt real... It was as if I could really imagine it happening. The words

displayed so perfectly that I could see it as a picture in my head. There were yummy spankings and some even yummiier sex scenes! Peter is a wonderful man and an even better daddy and Ms. Reynolds did a fantastic job telling Julie's story that I highly recommend you all read!

Sweet romance!

By SH

This was such a cute story and the romance is so sweet! Julie made me laugh out loud, I could just picture her in my head and she made me smile. Peter needed her in his life, but he didn't know it at the time, together they were perfect. Although I would have loved it if Peter had decked Crank, just saying. No spoilers from me, read the book and enjoy! I received this book from Stormy Night Publications as an Advanced Reader Copy.
