Wow! Amazing Book...

By Hollywood

A friend of mine is a chiropractor & he mentioned this is the one book to get if I wanted to learn how to take care of my body. The book came on time. The info in this book is amazing. Laid out for someone like myself who didn't know anything about the human body, I never had an anatomy class or any other medical classes in college: this book is written in easy to understand format. I'm going slowly but getting everything in the book. A revelation! Really...
